DIGITAL CLASSICIST WIKI EDITING SPRINTS

The regular Digital Classicist Wiki editing sprints that we used to run have stalled in the last year or so, but we will be restarting them as of next month.

For now, sprints will run on the first Tuesday of every month, at 16:00–18:00 UK time.

- June 4, 2019
- July 2, 2019
- August 6, 2019

Information on what we get up to and what we would like to achieve can be found at the [Wiki Editing](#) page.

If you want to chat with other sprinters in real time, you may join the [DigiClass IRC Channel](#).

If you don't yet have an account on the Digital Classicist Wiki and would like one, please contact any of the administrators named at the [Members page](#) and we will create an account for you.

We would be happy to receive suggestions of themed sprints in the future. (In the past we have run sprints on geography, papyrology, language technologies, and other topics.) Maybe suggest them here on the Digiclass list, and see who else might be interested.

Other suggestions and ideas welcome!
