AN UNUSUAL VIEW OF THE META SUDANS ACROSS THE PIAZZA DEL COLOSSEO IN 1930

The excellent Rome Ieri Oggi site has started posting again on Twitter, and today [posted the following fascinating image](#) from 1930:

Note the Meta Sudans in the middle. By this date the brick stub of this ancient fountain had only a handful of years more in the world, before Mussolini demolished it.

Marvellous to see it!
