ORDER MY BOOKS BEFORE THEY GO OUT OF PRINT!

Long term readers will remember that I commissioned two texts and translations in printed form: Eusebius, *Gospel Problems and Solutions* (2011), and Origen's *Homilies on Ezekiel* (2014). The first is the only version of this text; the second is the best version of the work. Both contain catena fragments, the original text, and a facing translation. The hardbacks are very splendid; and the paperback is a solid item too.

But all good things must come to an end, and these will go out of print in the next month or two. So ... if you or your library want copies, order them now from Amazon!

- Eusebius: US – Amazon.com in [hardback \(\\$80\)](#) and [paperback \(\\$45\)](#)
- Eusebius: UK – Amazon.co.uk in [hardback \(£50\)](#) and [paperback \(£30\)](#)

- Origen: Amazon.com in **hardback (\$80)** and **paperback (\$45)**
- Origen: Amazon.co.uk in **hardback (£50)** and **paperback (£30)**.

I know these are pricey, but once they are gone, they are gone.

Amazon don't keep a lot of stock, naturally, but you can order any of these as all are in print. Lead time is probably about a week when "out of stock".

Thank you, everybody who supported this project!
