SIDONIUS COMPANION BOOK LAUNCH

SIDONIUS APOLLINARIS BEYOND THE COMPANION: FROM ARCHAEOLOGY TO POPULAR CULTURE

This conference marks the publication of *The Edinburgh Companion to Sidonius Apollinaris*, edited by Gavin Kelly and Joop van Waarden. It is set to investigate avenues for future research on Sidonius and his times.

Speakers will include Lucy Grig (Edinburgh) on popular culture, Caroline Michel d'Annville (Paris) on Vaison-la-Romaine, Daniëlle Slootjes (Nijmegen) on dioceses in Gaul, and more to be invited.

The day also features a series of pitches of current or future research on Sidonius and related subjects. PhD students and early career scholars are particularly (but certainly not exclusively) invited to come up with presentations of their research (contact: Joop van Waarden, j.vanwaarden@let.ru.nl).

Lieu de la manifestation : Radboud University, Nijmegen (The Netherlands)

Organisation : Gavin Kelly, Marc van der Poel, Daniëlle Slootjes, Joop van Waarden
